Continue on the pathway beside Clive's Main Road – 2kms down you will join the iWay pathway on your right - this ride takes you past the Clive River - through the small settlement of Whakatu beside the railway line. Cross the wooden bridge that was built especially for the cyclist as you make your way directly to Hastings Show Grounds which is home to the Farmers Market every Sunday from 8.00am to 12.30pm. The atmosphere and friendly smiles from the locals and stall holders alike make this an amazing morning out, lots of samples given out to lure your taste buds. Heaps of exploring to do from here on - hanging baskets are a site to behold in Hastings town centre, Brave Brewing for a taste or two, Telegraph Hill for Olive Products, 5.9kms ride in the country passing by orchards, farming and vineyards - cycle via St Georges Road, Te Aute Road and School Road to Middle Road - Birdwood Gallery & Café It is a 'must visit' for all visitors and locals, offering a gallery, sculpture garden, café, fruit ice creams and old fashioned sweet shop. www.birdwoodgallery.co.nz I suggest single file on country roads - most of the land is used for fruit growing, farming and vineyards From Birdwood Gallery a 3.3kms ride to Havelock North lots of option for shopping and lunch...
